# Positive Mental Health and Wellbeing

- The most important thing for school and parents
- Ensure appropriate balance of work and play
  - some will need encouragement with managing work load –
  - some will need encouragement to work!
- Ensure clear boundaries are maintained – open and honest conversations about socialising
- Ensure that you are there for support when needed - talk to your child and encourage them to talk to us
- Encourage mindfulness – in whatever form
- Get in touch if you have any concerns whatsoever

# KS5 Curriculum

2 AS & Skills Challenge Certificate	Some students only follow this module	Can be a risk
3 AS & SCC	Good balance– majority of students follow this model	Strong record of success. Keeps options open.
4 AS & SCC	Minority of MAT students. Academic students who want to keep their options open.	Many drop down to three AS subjects during the year.
<i>Skills Challenge Certificate is followed by every student with their AS/A Level subjects</i>		

- To follow Level 3 courses it is expected that students have attained 5 A\*-C GCSE /Level 2 equivalent including the Welsh Baccalaureate Skills Challenge Certificate at National Level.
- Every student must follow three level 3 courses to be a Sixth Form at Plasmawr.
